BZA-1871
THURMAN R. SANDERS
Appeal of the Decision of
the Administrative Officer

Additional Record Information
February 21, 2013

REQUEST MADE:

Petitioner, represented by James Ayres of Wernle, Ristine and Ayres of Crawfordsville, is appealing the decision of the Administrative Officer (County Building Commissioner) regarding his determination that petitioner's non-conforming kennel operation (SIC 0752), Sanders Kennel, has expanded illegally on property located at 10112 S 700 E, Lauramie 17 (NE) 21-3.

At the January 23, 2013 meeting, petitioner's counsel indicated he believed the Administrative Officer had more information regarding his client's property and zoning violations and inspections. The Board requested the Administrative Officer to provide that information and it is attached to this report.

In an effort to save both paper and cost, the Administrative Officer's Record from the January meeting will not be included with this packet. Please bring your January packet to the February meeting.
